§ 447.62 Alternative premiums and cost sharing: Basis, purpose and scope.

(a) Section 1916A of the Act sets forth options for a State through a Medicaid State plan amendment to impose alternative premiums and cost sharing, which are premiums and cost sharing that are not subject to the limitations under section 1916 of the Act as described in §§ 447.51 through 447.56. For States that impose alternative premiums or cost sharing, §§ 447.64, 447.66, 447.68, 447.70, 447.71, 447.72, 447.74, 447.76, 447.78, 447.80, and 447.82 prescribe State plan requirements and options for alternative premiums and cost sharing for a group or groups of individuals (as specified by the State) for services or items (as specified by the State) and the standards and conditions under which States may impose them. The State may vary the premiums and cost sharing among groups of individuals or types of services or items, consistent with the limitations specified in this subpart and section 1916A(a)(1) of the Social Security Act. Otherwise, premiums and cost sharing must comply with the requirements described in §§ 447.50 through 447.60.

(b) Waivers of the limitations described in this subpart on deductions, cost sharing, and similar charges may be granted only in accordance with the provisions of section 1916(f) of the Act.

(e) The process for informing the recipients, applicants, providers, and the public of the schedule of premiums, enrollment fees, or similar fees for a group or groups of individuals in accordance with § 447.76.
